Splendida

Elegante e moderna pittura decorativa con glitter.

Campo d'impiego: qualsiasi tipo di superficie interna liscia e adeguatamente preparata.

Applicazione:

1. Aggiungere alla pittura il GLITTER che si trova all'interno della confezione e mescolare bene.
2. Stendere il prodotto con rullo a pelo medio-lungo.
3. Generalmente, è sufficiente una sola mano. In caso di fondi con "colori difficili" può rendersi necessaria l'applicazione di una seconda mano.

Prima dell'applicazione, consultare la Scheda Tecnica del prodotto ed il video dimostrativo sul sito www.adicolor.it

Elegant and modern decorative glitter paint.

Intended use: for interior walls of almost any nature with appropriate treatment.

Application:

1. Mix the paint with the GLITTER in the packet that is found inside the can and stir well.
2. Apply Splendida by medium-long pile roller.
3. Due to its excellent hiding power, in most cases just one coat will be sufficient for a good finish. In case of substrates with "difficult colors" a second coat may be needed.

Prior to application, consult the Technical Data Sheet of the product and view the tutorial video on www.adicolor.it

Peinture décorative à base de paillettes, élégante et moderne.

Utilisation: sur tout type de support mural intérieur lisse, préalablement traités.

Application:

1. Mélangez la peinture avec le paquet de paillette se trouvant l'intérieur de la boîte. Bien remuez l'ensemble.
2. Appliquer Splendida par un rouleau à poil moyen/long.
3. Dans la plupart des cas, grâce à son haut pouvoir couvrant, une seule couche sera nécessaire. Dans le cas de substrats à «couleurs difficiles», une deuxième couche peut être appliquée.

Avant l'application, consulter la Fiche Technique du produit et voir la vidéo tutoriel sur www.adicolor.it
